

Analyze Your Smile!

Do you have concerns about the appearance of your smile? Review your smile with the checklist below. You will need a mirror and a good light. Print this page and bring it along to your next dental appointment. We can discuss esthetic options to create some beautiful changes.

Do you have....

- Discolored or stained teeth
- Discolored or stained fillings
- Unsightly or dark metal fillings
- Dark lines around crowns (caps)
- Broken, chipped or worn teeth
- Unwanted spaces between front teeth
- Flared teeth
- Flatted smile line due to worn teeth
- Crowded teeth
- Missing teeth
- Gummy smile

Is there anything you would change about your smile?
